

KAYVAN NOWZARI
105 Lena Court, Pleasant Hill, CA 94523
(925) 913-0081 | knowzari@gmail.com

EDUCATION:

- University of California, Santa Cruz, 2007.
- Diablo Valley College, 2009.
- Associate of Arts in Mathematics.

TECHNICAL SKILLS:

- Typing speed: 110 WPM.
- Very strong spelling and grammar skills.
- Comfortable with Microsoft Word and Excel. Willing to learn anything very quickly if necessary.
- Very good at describing how bugs work in layman's terms so that anybody could understand.
- Ability to learn a game and its mechanics very quickly.

GAMING EXPERIENCE AND ACHIEVEMENTS:

- Experience alpha and beta testing many online games including: Ragnarok Online alpha, World of Warcraft beta, Heroes of Newerth beta, RIFT beta, APB Reloaded beta, and much more.
- Playing video games of nearly all genres for over fifteen years, online games for over ten.
- Very innovative and competitive gamer. Play all games at a very high level and have played several at professional levels. Known in some gaming communities for always finding and exploiting bugs, creatively abusing game mechanics, and advancing competitive metagames with new, innovative playstyles.
- Created a team which has achieved tournament victories over professional gaming organizations including: Evil Geniuses, SK Gaming, FnaticMSI, and several others.
- Have lead many guilds/team/clans and have risen to leadership positions in many groups just due to being a natural leader.
- Have tutored playing games at a high level for an hourly wage.
- Short-term Game Master for a private game server.
- California Math League (math-related logic puzzles) champion for College Park High School, 2006.

WORK EXPERIENCE:

CK Motors - Martinez, CA, 01/2009 - 12/2010

Data entry and advertisement

- Entered and updated car ads and postings into craigslist, Vehix, AutoTrader, and the CK Motors website.
- Took photos of new inventory and entered them into our system.
- Worked with html to create multiple ads for every new car in stock.
- Filed car documents.

The Nurture Center - Lafayette, CA, 07/2008 - 12/2008

Shipping, receiving, packing

- Received all inventory to make sure all orders were correct.
- Packaged all products and printed out shipping labels for each package using Stone Edge Order Manager.
